

5 HP Two Stage 80 Gallon Vertical Air Compressor

Cast Iron Two Stage Pump

- Up to 10,000* hours extended life
- Over 35% quieter
- 60 cooler than aluminum pumps with Cast Iron cylinder sleeves

Oil Sight Glass

- Quick and easy oil level check

80 Gallon ASME Code Tank

- certified for 200 psi maximum pressure - assures safe operation

5HP Motor with Overload Protection

- Operates on 230 Volt power.
- No special motor starter required.

Features

- Designed for professional work in service stations and small body shops
- 5 HP motor
- 230 Volt single phase motor
- ASME 80 gallon vertical tank
- Delivers 14 SCFM @ 90 PSI
- 175 PSI maximum pressure

Benefits

- More air to run tools for greater lengths of time
- Two stage product suited to commercial user
- 80 gallon unit cycles less and lasts longer than units with smaller tanks

Specifications

Model	HS5180
Size	80 Gallon
Max PSI	175
SCFM 90/175	14/13.7
Voltage	230 Volt
Pump	Cast Iron, Oil Lubricated
Unit Weight	00 lbs.
Carton Size	31" x 43" x 81"
UPC	0-45564-62307-4
